## 2026 Methamphetamine Testing

Methamphetamine analysis samples are \$65/sample if payment accompanies the samples. If clients do not already have payment terms with Anatek Labs, Inc., payment **must** accompany the samples. We can send sample kits at a cost of \$5/kit, but you can also use filter paper or other wipes.

There are links to Washington sampling guidelines on our website below:

<https://www.anateklabs.com/methamphetamine-cleanup-testing/>

Samples must be accompanied by a completed Chain of Custody form, which is available on our website.
